Microbit Monsters!
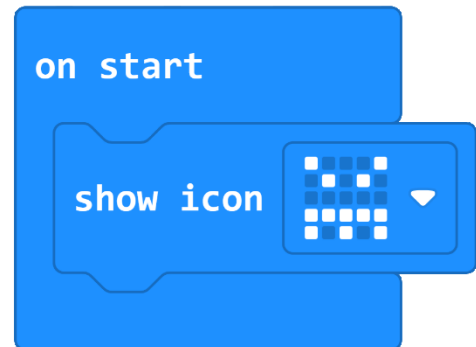

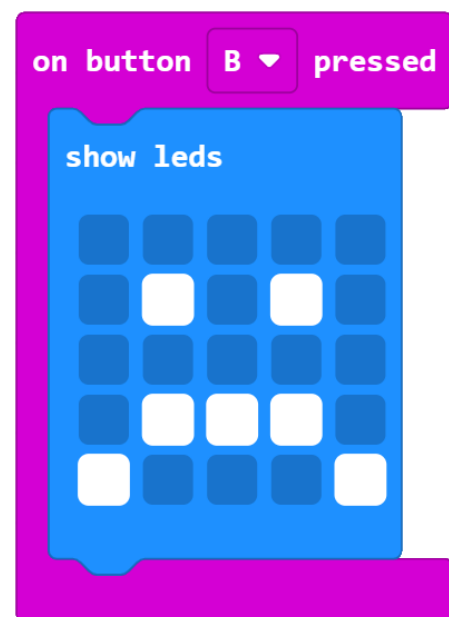

We're going to make pet Microbit monsters!
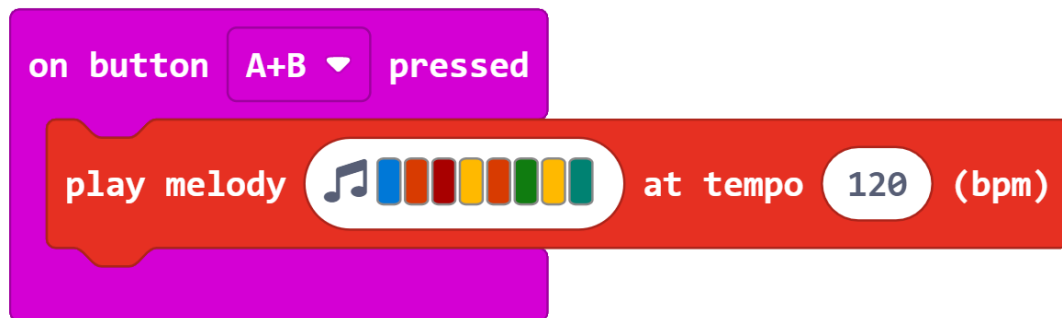

Make a face!

More moods!

Make your monster sing!

on button A+B ▼ pressed
play melody ♫ [■■■■■■■] at tempo 120 (bpm)
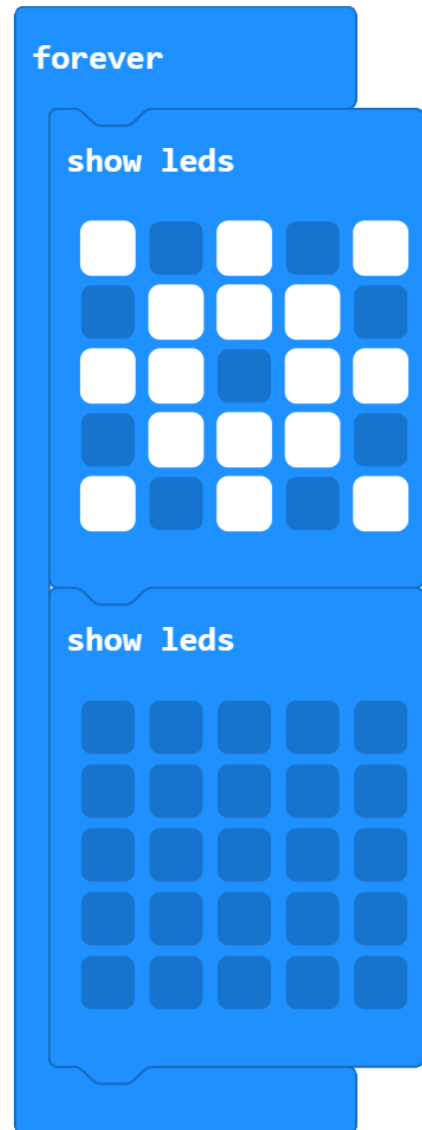

- - - - - - - -
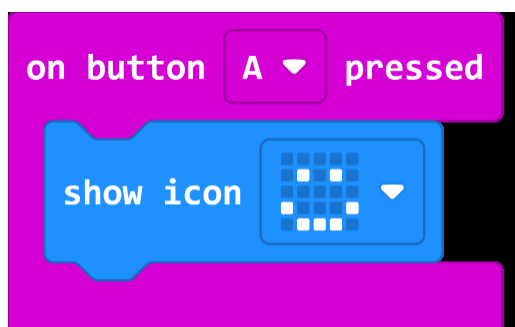

Make your monster body

Design a body for your Microbit Monster,
then cut it out and fold it

Animations!

Make a flashing star

It doesn't have to be a star. You can make a flashing heart, face or duck!

Make an animation

You can use lots of **show leds** blocks to make an animation

Plan your animation

Colour boxes to show the lights that will turn on
