HOW TO SOLVE LOGIC GRID PUZZLES?

Your job is to figure out which options are linked together using a series of clues. Read the clues one at a time.

If something is **true** then put a tick in the right place on the grid.

In this example puzzle, the first clue is **“Speedy Pal got their name because they teleport to move fast”**. You can put a tick in the box that matches **‘Speedy Pal’** with **‘Teleportation’**.

There’s only one correct match (no other superhero has that power, and the superheroes only have one power). Put crosses next to all the other powers for Speedy Pal, and cross out the other heroes for ‘teleportation’.

The second clue is **‘The hero with a lightning bolt costume shouts “Super!”** We don’t know who has said this yet but we can match **‘red lightning bolt’** to **‘Super!’** by adding a tick (and crossing out all the other options for red lightning bolt and super.).

The third clue is **‘The flying superhero says “To finity only”**. Again, we don’t know who this is yet, but we can match **‘Flying’** to **‘To finity only’** and cross out the other options in this row and column.

HOW TO SOLVE LOGIC GRID PUZZLES?

If something is false then put a cross.

For example, the clue “Wonderful Woman doesn't have laser-beams” lets us add a cross between ‘Wonderful woman’ and ‘laser-beam eyes’. There's only one box left empty now for Wonderful Woman, so we know she must have the power of flying.

Once you've gone through all the clues, can you work out anything else using the information in your grid now?

		SUPER POWER			
		Laser-beam eyes	Flying	Solving puzzles	Teleportation
SUPERHERO	Brilliant Boy			X	X
	Wonderful Woman	X		X	X
	Speedy Pal	X	X	X	✓
	The Amazing Human	X	X	✓	X

When you work out new information, see if that helps you work out more! For example, if you know **Wonderful Woman** has the power of **flying**, and the person with flying says “**To finity only**” then you know who says that catchphrase!

		SUPER POWER				COSTUME				CATCH-PHRASE			
		Laser-beam eyes	Flying	Solving puzzles	Teleportation	Red lightning bolt	Starry pattern	Flowing cape	Stripes	Up, up, somewhere	To finity only	Splendid stuff!	Super!
SUPERHERO	Brilliant Boy	✓	X	X	X						X		
	Wonderful Woman	X	✓	X	X					X	✓	X	X
	Speedy Pal	X	X	X	✓						X		
	The Amazing Human	X	X	✓	X						X		
CATCH-PHRASE	Up, up, somewhere		X			X							
	To finity only	X	✓	X	X	X							
	Splendid stuff!		X			X							
	Super!		X			✓	X	X	X				
COSTUME	Red lightning bolt		X										
	Starry pattern												
	Flowing cape												
	Stripes												

Sometimes you don't have enough worked out to deal with a clue. Just come back to it later. Once you've gone through the clues, make sure you've got all the information you can from each of them.

Once you've figured out everyone's information, copy it all into the boxes!
