

AICE.scot

AI Collaborative of Educators (Scotland)

- A group for educators **committed** to ensuring AI enhances learning and future society.
- A group for educators to **cooperate** and support each other in ensuring AI has a positive impact on learners and future society.
- A group for educators to **collaborate** with colleagues, authorities and research partners to better understand AI and work to ensure that it has a positive impact on learners and future society.
- A group for educators that aims to become a sustainable **community** naturally enabling members to support each other in ensuring the AI use across the education has a positive impact on learners and future society.
